Lazio Mini Pendant

By Currey & Company

Description

The Lazio Mini Pendant has a luminous shade carved from natural alabaster. The veining in the material makes each shade unique because each stone taken from the earth will have its own personality. The shape of the shade and the thinness of the stem on which it dangles are of the simplest in form. This leaves the natural material to shine. The painted silver finish also helps to keep the design light and airy.

Shown in silver / alabaster
