Piero Multi-Light Pendant

By Currey & Company

Description

The shades on the Piero Multi-Light Pendant may appear to be woven from a natural plant material, but they are made of iron in a white finish to make it one of our offerings that illustrates the skills our craftspeople bring to their work. When the white pendant is illuminated, textural patterns will enliven surrounding surfaces. Note: 36-Light option requires a junction box for fixtures weighing over 50 pounds.

Shown in silver / white
