## Caule Indoor/Outdoor Floor Lamp By FLOS

### Description

Taking its name from the Latin word for inchstem inch, the elegant shape of the Caule Indoor/Outdoor Floor Lamp is inspired by a flower. The curving stem supports a cylindrical diffuser available in either a solid or nest design that casts intricately patterned shadows. The understated lines of this piece and availability in a variety of heights, finishes and color temperatures make it a versatile addition to a contemporary outdoor space. The 16 foot long cord includes an IP44 plug suitable for outdoor use and a dimmer switch that allows the included LED to be dimmed from 30% to 100% brightness. Note: The 90.6 inch and 110.2 inch sizes are available only with the solid shade.
