## Sprocket Freejack Head

By Visual Comfort Architectural

### Description

The Sprocket Freejack Head is simple in design, but extremely functional, featuring several modern customization possibilities. Compatible for use with 1-circuit Monorail track system, Wall Monorail or Freejack canopy. One 12 volt, up to 75 watt GU5.3 MR16 halogen lamp is required, but not included. Includes a Freejack connector. Freejack canopy required when used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).

Shown in antique bronze
