

BRAND Hinkley Lighting

DESCRIPTION

With its sleek, minimal silhouette, the Indy Flush Smart Ceiling Fan offers raw, edgy character that perfectly enhances modern industrial settings. Equipped with a quiet DC motor, it brings refreshing airflow to your indoor or covered outdoor space while achieving energy efficiency. A convenient wireless HIRO control is included. It incorporates WiFi and RF technology and enables motor on/off, 6 speeds, and forward and reverse. The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. For even more flexibility, the fan can be controlled through the Bond Home app on your smartphone. In addition to the basic functions, the app offers timers, breeze mode and other advanced features, and can link the fan to smart home tech including Amazon Alexa, Google Home, SmartThings, Control4, ELAN and Hubitat. This smart Indy fan fits seamlessly into your modern lifestyle. Optional accessories are sold separately.
