Vail Outdoor Flush Smart Ceiling Fan with Light

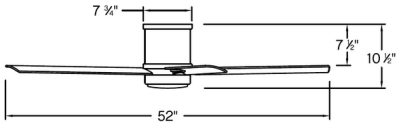

By Hinkley Lighting

Description

Featuring gently curved blades and a clean silhouette, the versatile Vail Outdoor Flush Smart Ceiling Fan with Light works well in any indoor or outdoor setting. Its DC motor and integrated LED light achieve energy efficiency while refreshing and illuminating your space. The fan includes a HIRO wireless control that incorporates WiFi and RF technology and can set 6 speeds, forward and reverse, motor on/off, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone. In addition to the basic functions, the app offers features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. With its smart design, the Vail fits seamlessly into your modern lifestyle. Optional accessories are sold separately.

Shown in brushed nickel / silver
