Turbine Smart Ceiling Fan with Light

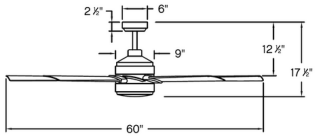

By Hinkley Lighting

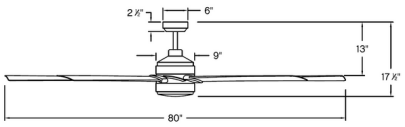

Description

The Turbine Smart Ceiling Fan with Light is a robust nine-blade fan that suits a range of design styles from rustic to transitional, indoors or outdoors. It boasts modern functionality, equipped with a DC motor and integrated LED light that ensure energy efficiency while creating a comfortable space. A wireless HIRO control is included. It incorporates WiFi and RF technology, and enables motor on/off, 6 speeds, forward and reverse, and light on/off and warm dimming (dims from 3000K to warmer). It can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. Another convenient control option is your smartphone, using the Hinkley app. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Google, Amazon Alexa, and Siri. This smart fan fits seamlessly into modern lifestyles. A matching light kit cover is included. Other optional accessories are sold separately.Note: Chalk White / Weathered Wood is only available in 80 inch size.
