DESCRIPTION

The Marquise II 4IN 15W LED Round Baffle Downlight features a Cree chip-on-board LED to provide downlighting for both residential and commercial applications. Available in 2700K, 3000K, 3500K, or 4000K color temperatures and 37, 63, or 94 degree beam angles in a variety of finishes. Note: A complete fixture requires a trim and housing, sold separately. Matte White finish is only available with 37 or 63 degree beam angle in 3500K and 94 degree beam angle in 3000K.

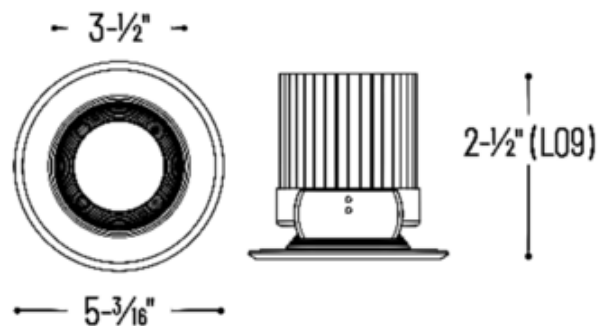

Shown in: Copper Baffle / Copper Flange
