# Nod Multi-Light Pendant

By ZANEEN design

## Description

Nod is a flattened globe-like pendant suspension light. A contributing factor to this design is the visible and playful supporting cables, the double and triple have a cable connector allowing you to tighten or loosen the look of the cables and thus the lamp heads. The inviting interplay between angles and movement make Nod an appealing lamp for contract spaces given its versatility. The flexibility of the fixture allows you to angle the hanging elements and illuminate the space directly or indirectly as you please.

Shown in matte black / opal
