Pla Pendant By ZANEEN design

Description

Pla is a collection of LED portable and suspension fixtures that have the unique option to have a plug-in wall mount as a solution to install limitations. With various sizes available and five step touch dimming features, the design-focused fixture offers high-performing quality. Subtle lines and simple shapes combine to make a luminaire that illuminates its space indirectly. The simplicity and purity of this collection makes it especially versatile so that it can be adapted for any setting.

Note: Not all options are available
