## Dau Rectangular LED Up/Down Wall Light By ZANEEN design

### Description

Dau is a series of track and surface adjustable LED light fixtures with alterable heads to create an array of configurations. It is available in a selection of different color finish options, allowing for even further customization and design flexibility. Due to its adjustability and modifiable heads for directional light output, Dau would be an optimal choice for a variety of applications including residential, hospitality or retail settings.  
Note: Junction Box cover plate included
