

BRAND

Tala

DESCRIPTION

The Lochan Surface Mount brings a clean simple look to your interior space. Any E26 medium base bulb, up to 60W max, may be used in this fixture. The bulb selected will determine the look of the piece - the ultimate in customization. Choose from one of Tala's sculptural Voronoi bulbs for a modern appearance, or use a matte porcelain bulb for a more understated look. Bulbs sold separately. Note: Lochan is wet rated and requires a wet rated bulb for outdoor and wet applications.
