

DESIGNER

Naoto Fukasawa

BRAND

Artemide

DESCRIPTION

The sleek Demetra Professional Plug-in Wall Light embodies ultimate flexibility in its minimal aluminum form, capable of a broad range of movement with its adjustable arms and rotatable head. It emits efficient LED lighting and has an anti-glare reflector, and a touch dimmer on the head controls brightness level. Inspired by the Greek goddess of harvest, the Demetra is designed to provide a productive environment for harvesting creativity, whether in business and home offices or in other workspaces.
