Gople Portable Table Lamp

By Artemide

Description

The Gople Portable Table Lamp by Artemide, designed by BIG (Bjarke Ingels Group), offers an elegant and minimalist silhouette that brings sophisticated, diffused light wherever you need it. This lightweight and durable lamp is a testament to design simplicity meeting practical functionality, perfect for intimate settings indoors or al fresco gatherings. Featuring a sleek White Acrylic diffuser and base, the Gople Portable provides a soft, inviting glow that enhances any atmosphere. It's suitable for outdoor use in dry conditions, making it a versatile companion for covered patios, outdoor dining tables, or any space where direct exposure to rain isn't a concern. With an impressive 26-hour running time when fully charged, this portable lamp ensures your evenings are beautifully lit without interruption. A convenient dimmer switch with three brightness settings allows you to effortlessly tailor the illumination to suit any mood or task.
