Tolomeo Outdoor Lantern Hook By Artemide

Description

The Tolomeo Outdoor Lantern Hook by Artemide brings the iconic elegance of the beloved Tolomeo collection, designed by Michele De Lucchi and Giancarlo Fassina, into the open air. This sophisticated portable lantern was created to infuse any outdoor space with a contemporary look and a warm, inviting ambiance, making it perfect for patios, balconies, or garden nooks. Featuring a robust Aluminum body, this lantern houses an Integrated LED light source, diffused through a transparent IP65 plastic shade. The IP65 rating signifies exceptional protection against dust and water jets, ensuring its durability and reliability in various outdoor conditions. Designed for ultimate convenience, this fixture can be easily plugged into an outdoor outlet and then hung in virtually any desired location, instantly adding a charming glow. The structural elements of the Tolomeo Outdoor Lantern have been thoughtfully strengthened to resist increased stress from environmental factors, ensuring it maintains its integrity and timeless appeal even outdoors.
