Alphabet of Light Circular Suspension By Artemide

Description

The Alphabet of Light Circular Suspension by Artemide, designed by BIG (Bjarke Ingels Group), is a testament to cutting-edge lighting technology and minimalist design. This stunning fixture allows you to inchwrite inch with light, creating bold geometric compositions that powerfully define and illuminate your space, making a strong architectural statement.It features a sleek Grey Aluminum body housing innovative LED technology, diffused beautifully through White Acrylic diffusers, while the matching White canopy ensures a seamless and integrated appearance. Designed for ultimate control, this suspension light is dimmable via both 2-wire dimming and 0-10V dimming systems, offering broad flexibility for various electrical setups. The Alphabet of Light series is renowned for its ability to create continuous, uniform light lines without interruption, making this circular suspension perfect for defining architectural elements, creating visual anchors in large rooms, or simply adding a bold, contemporary statement that integrates perfectly into Architectural, Contemporary, Industrial, and Minimalist interiors with its energy-efficient LED performance.
