DALS Lighting

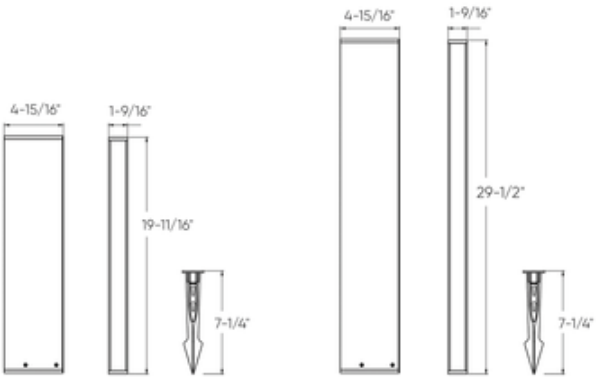

DESCRIPTION

The Column Outdoor Bollard Light features a minimalist form for ultimate urban sophistication. Made of a slim, rectangular cast aluminum frame and LED module with frosted lens, it offers a chic landscape lighting solution for eco-conscious homeowners. This fixture can be pushed into the ground using the included plastic ground stake, or mounted to wood or concrete (screws not included). A transformer is required, sold separately. With the CCT Select option, color temperature can be adjusted to 2200K, 2700K, 3000K, 3500K, or 4000K using a button on the fixture.
