Eclipse Color Select Pendant

By DALS Lighting

Description

The Eclipse Color Select Pendant features contrasting black and gold bands forming a chic double ring design. Light shines through frosted lens diffusers, and the aluminum housing serves as an efficient heat sink. Use this modern, elegant piece to welcome guests in a foyer or create a warm atmosphere in a dining room. Color temperature can be changed using the switch in the canopy, to 2700K, 3000K, 3500K, 4000K, or 5000K. Includes an integrated driver, dimmable with a TRIAC dimmer.
