Reeds Pendant

By Et2

Description

The Reeds Pendant brings a simple, decorative look to your interior space. Features a reeded glass tube that is paired with ribbed aluminum LED housing. The interior frosted glass diffuser softens the high-powered LED boards concealed within. The low-voltage light source is driven by a commercially rated range voltage LED driver with universal dimming, allowing it to be used in both residential and decorative commercial or hospitality applications. Note: Dimmable at 120V only.
