

BRAND Et2

DESCRIPTION

The Dorian Wall Sconce features a sleek square block support with two cylindrical LED light tubes that extend from it horizontally. These tubes are individually rotatable, allowing the user to position the LED light wherever needed. It is designed to mount to your choice of a single gang or standard junction box (with included cover plate) for use above portraits, shelves, pantries, or even as a bathroom vanity. Note: 120-277V: Dimmable with 0-10V. 120V: Dimmable with electronic low voltage (ELV). Not compatible with shallow junction box installations.
