DESCRIPTION

The iQ Ceiling Light features a circular shade fitted with an acrylic diffuser to evenly diffuse light from its integrated LED light sources. iQ's minimal, streamlined shape gives it a contemporary aesthetic that will complement a variety of interior decor styles. This smart fixture is connected with WiZ technology, which allows control of dimming, RGB color and Tunable White color temperature, scheduling routines and more. The range of smart functions can be controlled via the WiZ smartphone app or a smart home device such as Google Assistant or Amazon Echo.
