## Pebble Multi Light Pendant By Hammerton Studio

### Description

The Pebble Multi Light Pendant draws its inspiration from both nature and jewelry, featuring multiple pebble shaped pendants of various sizes suspended from a single canopy. Contrasting with the sleek metalwork, each pendant is capped with a textured glass diffuser reminiscent of a rondelle-cut bead. The hanging height of each pendant is individually adjustable for a customizable look. Note: The eight and eleven light fixtures require a junction box for fixtures weighing over 50 pounds.
