Pebble Multi Light Pendant

By Hammerton Studio

Description

The Pebble Multi Light Pendant draws its inspiration from both nature and jewelry, featuring multiple pebble shaped pendants of various sizes suspended from a single canopy. Contrasting with the sleek metalwork, each pendant is capped with a textured glass diffuser reminiscent of a rondelle-cut bead. The hanging height of each pendant is individually adjustable for a customizable look. Note: The eight and eleven light fixtures require a junction box for fixtures weighing over 50 pounds.
