Pebble Linear Multi Light Pendant

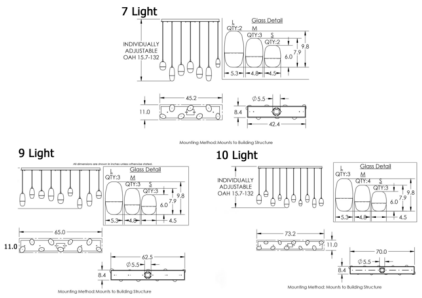

By Hammerton Studio

Description

The Pebble Linear Multi Light Pendant draws its inspiration from both nature and jewelry, featuring multiple pebble shaped pendants of various sizes suspended from an elongated rectangular canopy. Contrasting with the sleek metalwork, each pendant is capped with a textured glass diffuser reminiscent of a rondelle-cut bead. The hanging height of each pendant is individually adjustable for a customizable look. Note: Requires junction box for fixtures weighing over 50 pounds.
