Atollo White Metal Table Lamp

By Oluce Srl

Description

Designed in 1977 by Vico Magistretti, Atollo has gained notoriety as the archetypical table lamp, winning the Compasso d'Oro in 1979 and completely revolutionizing the way we imagine the classic bedside lamp. The geometric shapes that compose it- cylinder, cone and hemisphere - have resulted in a piece that is decorative and essential at the same time. A true icon of Italian design. Includes an inline dimmer.
