## Atlas Semi Flush Ceiling Light By Hubbardton Forge

## Description

The Atlas Semi Flush Ceiling Light melds schoolhouse sensibilities with neoclassical spirit, to create this clean, tailored style. The glass globe is held in place by handcrafted steel arcing curves and a wide central band. Opal glass is a neutral flat white when unlit, and radiates the warmth of the inner bulb when lit. Lifetime Limited Warranty when installed in residential setting. Handcrafted to order by skilled artisans in Vermont, USA.
