Atlas Globe Pendant

By Hubbardton Forge

Description

The Atlas Globe Pendant melds schoolhouse sensibilities with neoclassical spirit, to create this clean, tailored style. The glass globe is held in place by handcrafted steel arcing curves and a wide central band. The glass is neutral when unlit, and radiates the warmth of the inner bulb when lit. Canopy: 5 inch diameter. Sloped ceiling adaptable to 45 degrees. Lifetime Limited Warranty when installed in residential setting. Handcrafted to order by skilled artisans in Vermont, USA.

Shown in soft gold / opal
