Griffin Linear Chandelier

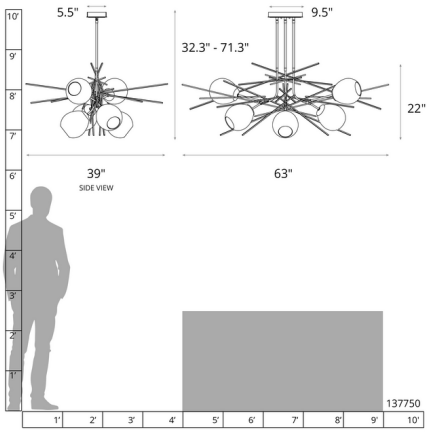

By Hubbardton Forge

Description

The Griffin Linear Chandelier brings an organic vibe to your interior space with its unique hand blown glass from Simon Pearce. The hammered steel rods are created to look like the tree bark of intersecting twigs. Available with Standard, Short and Long length options. Canopy: 9.5 inch x 5.5 inch rectangle.Sloped ceiling adaptable one way to 45 degrees. Triple down-rod fixtures can be used in one direction only. The three down-rods must remain the same length. The fixtures will run parallel or along the slope, but not perpendicular or up the slope. Lifetime Limited Warranty when installed in residential setting. Handcrafted to order by skilled artisans in the USA.

Shown in modern brass / clear simon pearce
