## Landscape Linear Pendant By Hubbardton Forge

### Description

The Landscape Linear Pendant produces light that resembles glowing magma. Bands of red hot steel are curved and placed against each other with light peeking out. Available with Standard, Short and Long length options. Canopy: 27.8 inch x 5 inch rectangle. Slope ceiling adaptable one way to 45 degrees. Double down-rod fixtures can be used in one direction only. The two down-rods must remain the same length. The fixtures will run parallel or along the slope, but not perpendicular or up the slope. Lifetime Limited Warranty when installed in residential setting. Handcrafted to order by skilled artisans in Vermont, USA.
