Lloyd Pendant

By Hudson Valley Lighting

DAMP

Description

The Lloyd Pendant features a perfect piece of white alabaster resting within an airy and delicate cage. Light fills the alabaster bowl with a warm glow, casts upward through the open teardrop shape, and softly reflects off the metalwork for an overall effect that is both functional and tranquil. Each piece of alabaster is unique, containing its own character with natural veining patterns. As a result, we cannot guarantee each piece will match.
