Radeon Smart Ceiling Fan with Light

By Hunter Fan

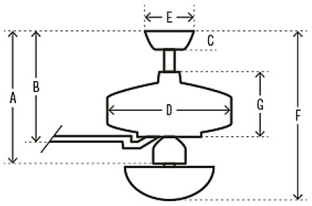

Description

The Radeon Smart Ceiling Fan with Light is multifunctional, delivering fresh airflow along with ambient LED illumination. Its WhisperWind motor coupled with the SureSpeed Guarantee for optimized cooling power keeps your room comfortable. The Radeon is ideal for smaller spaces including home offices, small bedrooms, and laundry rooms. Built-in SIMPLEconnect Wi-Fi technology enables control through simple taps on your smartphone. The fan also integrates with smart home systems Amazon Alexa, Google Home, or Apple HomeKit, for control using voice commands. A wall control is included as an additional control option and enables fan on/off, 4 speeds, forward and reverse, light on/off and dimming. Optional accessories are sold separately.

Shown in fresh white / bleached alder
