Churchwell Ceiling Fan with Light

By Hunter Fan

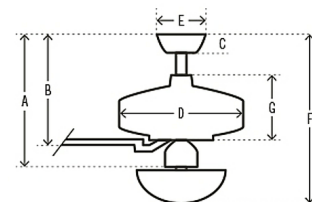

Description

The Churchwell Ceiling Fan with Light embraces farmhouse design with its rustic style blades and clear seeded glass light shades. Built with a WhisperWind motor and the SureSpeed Guarantee, it quietly delivers high-velocity airflow to quickly cool indoor areas including living rooms, bedrooms, and open-layout spaces. A 3-speed pull chain controls the fan motor and the other chain turns the lights on or off. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
