Jetty Outdoor Ceiling Fan By Hunter Fan

Description

The Jetty Outdoor Ceiling Fan is engineered with WeatherMax weather resistance, withstanding harsh outdoor conditions ranging from salt air or a humid beach day to a lakeside thunderstorm. Its 3-speed WhisperWind motor with SureSpeed Guarantee powers six droop-free blades, quietly delivering high-velocity airflow for faster cooling on those hot summer days outside. A wall control is included and can turn the motor on/off and adjust speed. Fan direction can be reversed using a switch in the fan. Optional accessories are sold separately.
