DESCRIPTION

The Lilliana Ceiling Fan with Light features curved asymmetrical blades that add a subtle twist to the simple design. Its low profile is ideal for small indoor spaces such as home offices, laundry rooms, and bedrooms. Its quiet 3-speed WhisperWind motor with SureSpeed Guarantee delivers a comfortable breeze with high air velocity for fast cooling, and its energy-efficient LED light provides ambient illumination. Pull chains are used to turn the fan on/off, control speed, and turn the light on/off. Fan direction can be reversed using a switch in the fan. Optional accessories are sold separately. Note: The Matte Black finish is only available for the 44 inch diameter fan.
