DESCRIPTION

The River Ridge Outdoor Ceiling Fan with Light features a timeless design and clear glass shades, lending a classic look to your indoor or covered outdoor space. With its WhisperWind motor and SureSpeed Guarantee, the fan quietly delivers high velocity airflow that quickly cools the area to ensure a comfortable environment. It also provides ambient illumination with three LED lights that cast a warm glow. A 3-speed pull chain controls the fan motor and a separate chain turns the lights on and off. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
