Phenomenon Smart Ceiling Fan with Light

By Hunter Fan

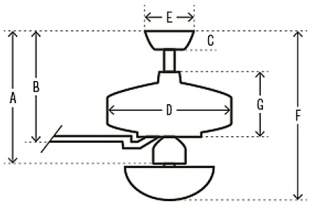

Description

The modern casual Phenomenon Smart Ceiling Fan with Light features tasteful pairings of blade and hardware finishes, complementing a range of interior design settings. Equipped with a powerful yet quiet DC motor and SureSpeed Guarantee, it delivers high air velocity for fast cooling, and its energy-efficient LED light provides ambient illumination. The Phenomenon is perfect for large areas such as great rooms, open concept spaces and lofts. With its built-in SIMPLEconnect Wi-Fi technology, the fan can be controlled by simple taps on your smartphone or voice commands through your smart home system such as Amazon Alexa, Google Home, or Apple HomeKit. For operation without Wi-Fi, a wall control is included and enables fan on/off, 6 speeds, forward and reverse, light on/off and dimming. Optional accessories are sold separately.
