Burroughs Ceiling Fan with Light

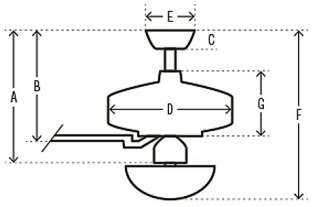

By Hunter Fan

Description

The Burroughs Ceiling Fan with Light combines wood grain-patterned blades with sleek metal motor housing for a balanced look. Its quiet WhisperWind motor with SureSpeed Guarantee delivers a comfortable breeze with high air velocity for fast cooling. The fan also disperses plenty of ambient lighting from its energy-efficient LED downlight. A 3-speed pull chain controls the fan motor and the other chain turns the light on or off. Fan direction can be reversed using a switch inside the light fixture. Optional accessories are sold separately.
