Aren Ceiling Fan with Light By Hunter Fan

Description

The Aren Ceiling Fan with Light is designed with stylish clean lines that coordinate well with its surroundings. Its 44 inch blade span and flush mount make it the perfect solution for small indoor spaces such as home offices, laundry rooms, and bedrooms. Built with a WhisperWind motor and SureSpeed Guarantee that ensure quiet operation and high air velocity, the Aren delivers optimized fast cooling while its LED light provides ambient illumination. A 3-speed pull chain controls the fan motor, and the other chain turns the light on or off. Fan direction can be reversed using a switch inside the light fixture. Optional accessories are sold separately.
