Universal Fan-Light Wall Control with Receiver By Hunter Fan

Description

Hunter's universal ceiling fan wall control can be used with any Hunter ceiling fan as well as other brands. Simply install the included remote receiver into the fan's canopy, and the wall control is already paired for easy, out-of-the-box use. Easily adjust the ceiling fan speed and light from the wall control. It's designed to fit flush against the wall for a stylish look in your room.
