DESCRIPTION

The Keglen Bolt-Down Table Lamp offers a sleek, modern lighting option with a distinctive conical shade and curved polycarbonate diffuser to deliver glare-free, downward-directed light. A small opening in the top of the shade also allows some light to escape upward for a touch of ambiance. The lamp's base is bolt-down mounting with a cord from the bottom that allows the lamp to be anchored through the desk. Lamp options include 3000K integrated LED or Warm Dim (2700K - 2000K) integrated LED. Dimmer switch located on base. An LED driver which plugs into a power outlet is included.
