Bysted 24V Outdoor Bollard

By Louis Poulsen

Description

The Bysted Outdoor Bollard features a symmetrical design with four rings to softly reflect light downwards. The underside of each ring is painted white for optimal reflection. Mounting options include: Spike Mount for use in soil or gravel. Spike mount bollards come pre-wired with a weatherproof 12 inch connector cable for above-ground use. Anchor Mounts are designed for use in new concrete pads and require professional below-ground cabling. Baseplate Mounts include a baseplate for securing the bollard to existing concrete or decks and are designed for use with professional below-ground cabling. Anchor and Baseplate fixtures include inputs for professional cabling. Note: All mounting options require an external 24V DC power supply (sold separately). 4000K lamp is not available with Corten finish.
