Dependant Circular Canopy for Pendants - Discontinued Model

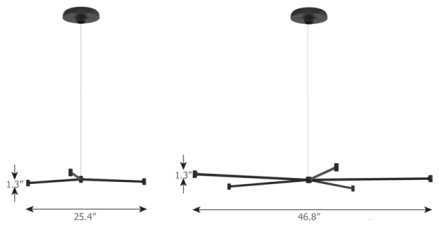

By Louis Poulsen

Description

The Dependant Circular Pendant Hanging Canopy is a modular suspension system that allows multiple Louis Poulsen pendants to be installed together to create sculptural arrangements. Terminal connections within the canopy allow individual pendants to be installed into a single 4 inch octagonal outlet box. Designed for a maximum system weight of 50 pounds, including suspension and pendants. Note: Can only be used for socket-based Louis Poulsen pendants up to 11 pounds each that do not include aircraft-style suspension wires. Not applicable for pendants with dedicated LEDs and canopy-mounted drivers.Note: This is a discontinued model and limited to quantity on hand.
