## Ocean Lounge Table By Mater Design

## Description

Originally created in 1955 by Danish designers
Jorgen and Nanna Ditzel, the Ocean Lounge
Table is created from upcycled plastic and is
intended to reduce plastic waste in the ocean.
The table is characterized by its light structure,
composed of plastic slats and an open tubular
steel frame. The Black and Sand tables
incorporate plastic from discarded fishing nets,
and the Green table contains plastic repurposed
from beer kegs from Denmark's Carlsberg
brewery. Suitable for outdoor use.Note: Due to
the recycled nature of the materials, the
appearance of each piece may vary.

Shown in gunmetal / black
