Dottie Desk Lamp

By Maxim Lighting

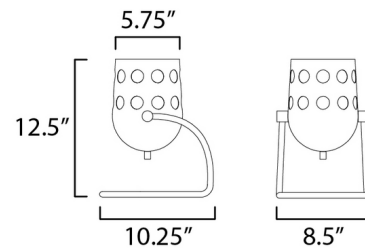

Description

The Dottie Desk Lamp features retro configurations of Mid-Century Modern perforated metal design complete in a two tone powder coat finish. The spun metal shade is punched with large circular perforations that scatter a pattern of light when lit. The oversized shade features a swivel joint that allow you to position the shade and direct the light with ease. A convenient switch on the back of the shade operates a 3-step dimmer to adjust the lamp's brightness at the touch of a button.
