# Cabana 120V Outdoor Post Mount

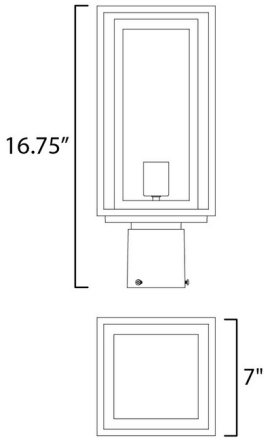

By Maxim Lighting

## Description

The Cabana 120V Outdoor Post Mount features a dual framed structure that creates dimension and is both contemporary and transitional. The construction consists of two frames of square tubing and squared components. The inner frame's Clear Seedy glass reduces glare from the light and appears dirt-free for longer periods. Note: Standard 3 inch diameter post is required, and sold separately.

Shown in black / clear seeded
