## Huntington Chandelier

By Maxim Lighting

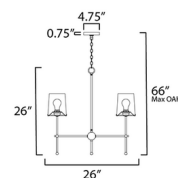

### Description

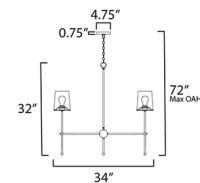

The Huntington Chandelier features Satin White taper shades in a classic shape and rest on elegantly thin frames. They are supported secured by a mostly concealed structure with coordinating semicircular tabs that complement the spherical joints of the frame. The modern design details and updated shade materials refresh the outlook of a timeless chandelier though its use of thoughtful features. Note: Satin Brass is only available in 34 inch size.

Shown in satin nickel / white
