Wafer SQ 120-277V 3000K Wet Location Ceiling Light
By Maxim Lighting

UL · ADA · 💧 · ENERGY STAR · JA8 TITLE 24

Description

The Wafer Square Flush Mount Ceiling Light was designed for the discriminate consumer who wants the low profile look of recessed without the high cost. Manufactured of die cast aluminum, Wafer brings ultimate heat dissipation to its edge lit technology. Edge lighting gives very even light distribution while dispersing heat over a larger area. The result of this is longer LED life and better light diffusion. Note: 120-277V: 0-10V dimming. 120V: Electronic low voltage (ELV) only.

Shown in black / white
