## Huan Pendant By Seed Design

### Description

With clean lines and graceful proportions, the Huan Pendant is a timeless design that embodies modern forms with a nostalgic silhouette. The round circular frame is inspired by the Moon Gate, which is a classic architectural element common in oriental gardens. The hemisphere lamp shade seamlessly integrates with the circular frame, bringing warmth and serenity to any interior. With clean geometry and striking symmetry, the perfectly circular frame is finely finished with a metallic coating, providing for an everlasting cozy glow.
