## Luna Pendant

By SONNEMAN - A Way of Light

### Description

The Luna Pendant features a soft, rounded profile with interior and exterior illumination. Light shines through silicone diffusers and creates a welcoming glow in your space. Elegantly suspended from thin cables, a single Luna ring can be hung to render light with a minimal yet dramatic presence, or rings of varying sizes can be arranged in a captivating, overlapping array across a larger space. 120-277V: 0-10 dimming. 120V: ELV and TRIAC. Includes driver located in the canopy.

Shown in painted brass / white
