## Poise Floor Lamp By Tala

### Description

Despite its minimal silhouette, the Poise Floor Lamp is rich with features. The slender base features a telescoping post that allows the height to be easily adjusted, and a rotary dimmer switch located on the post. Available with or without the Sphere V or Oval II LED bulbs by Tala, which warms in color when dimmed from 2800K to 2000K. Place this piece in a living room, office, or any space where additional light is needed.

Shown in black / brass / matte white
